

PROJET: let's discover playground games
ouverture culturelle, jeux pratiqués dans les pays anglo-saxons,
supports authentiques, langue

Parcours et autres jeux

Hip Hop game <https://nextcloud.ac-lyon.fr/index.php/s/zBG6QDCmH5SozZb>

THE RED LETTER

Pupils form a line; one of them, the leader, is several meters away from them. he has his back turned to them.
The game leader starts and says: " the red letter is E". The pupils have to count how many letters E their name has AND take as many steps as they have the letters in their name.
The first pupil who reaches the point of play leader becomes a point guard. And the game continues.

Design the playground! Les cours de récréation au Royaume-Uni
