

# patrick found a *something*

*you're looking very  
chipper today patrick*

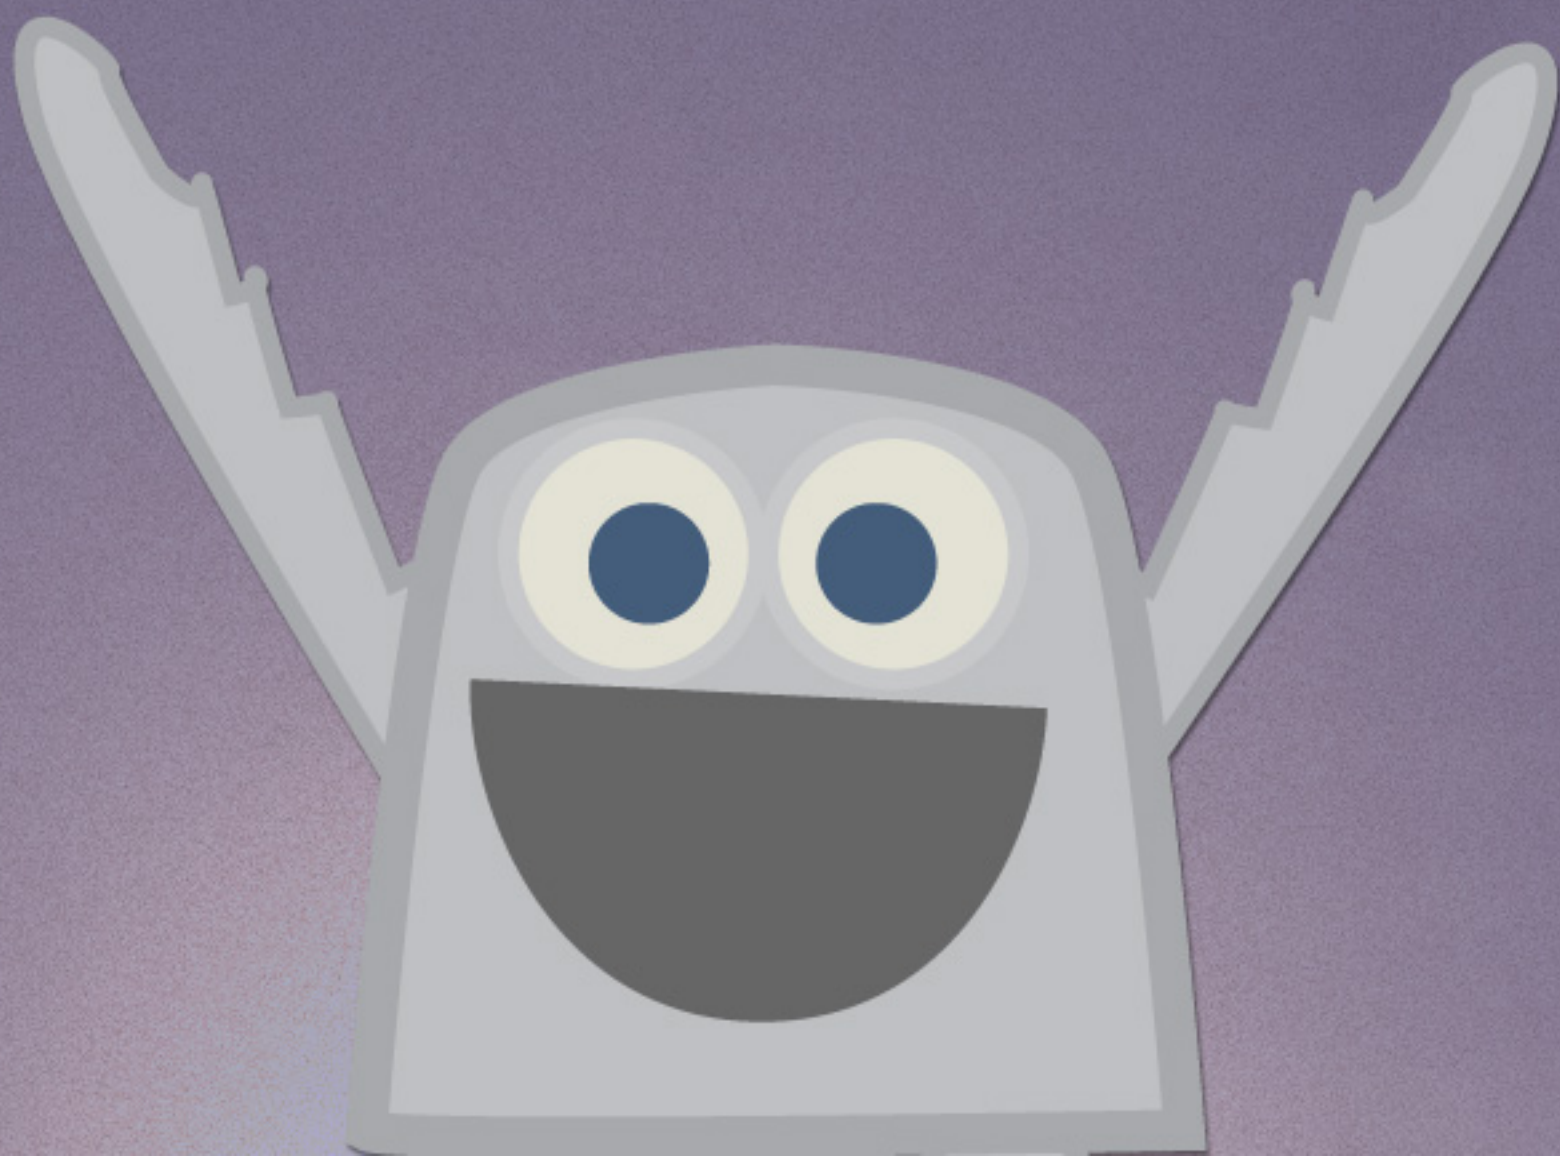

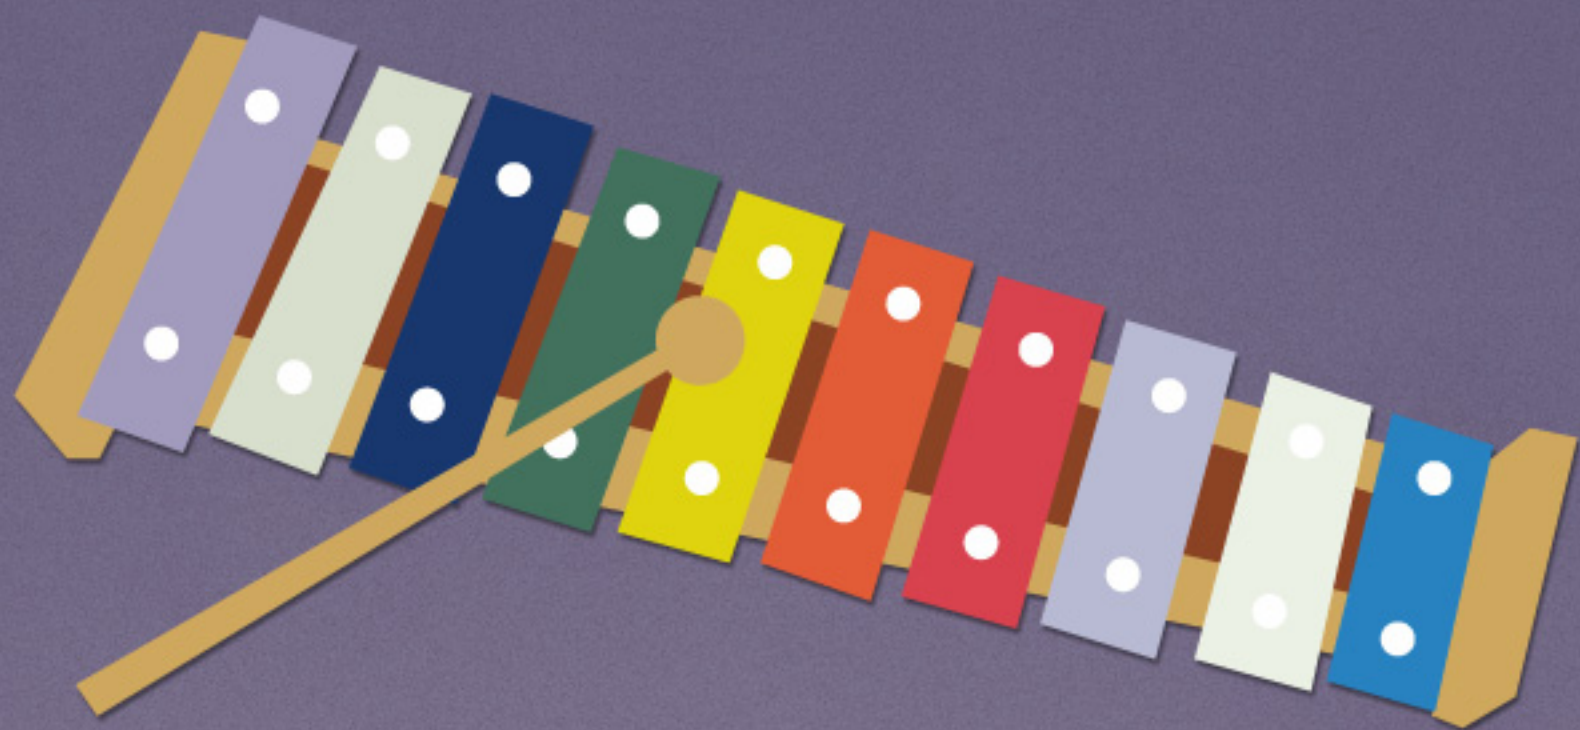

*oh, you found something  
special?*

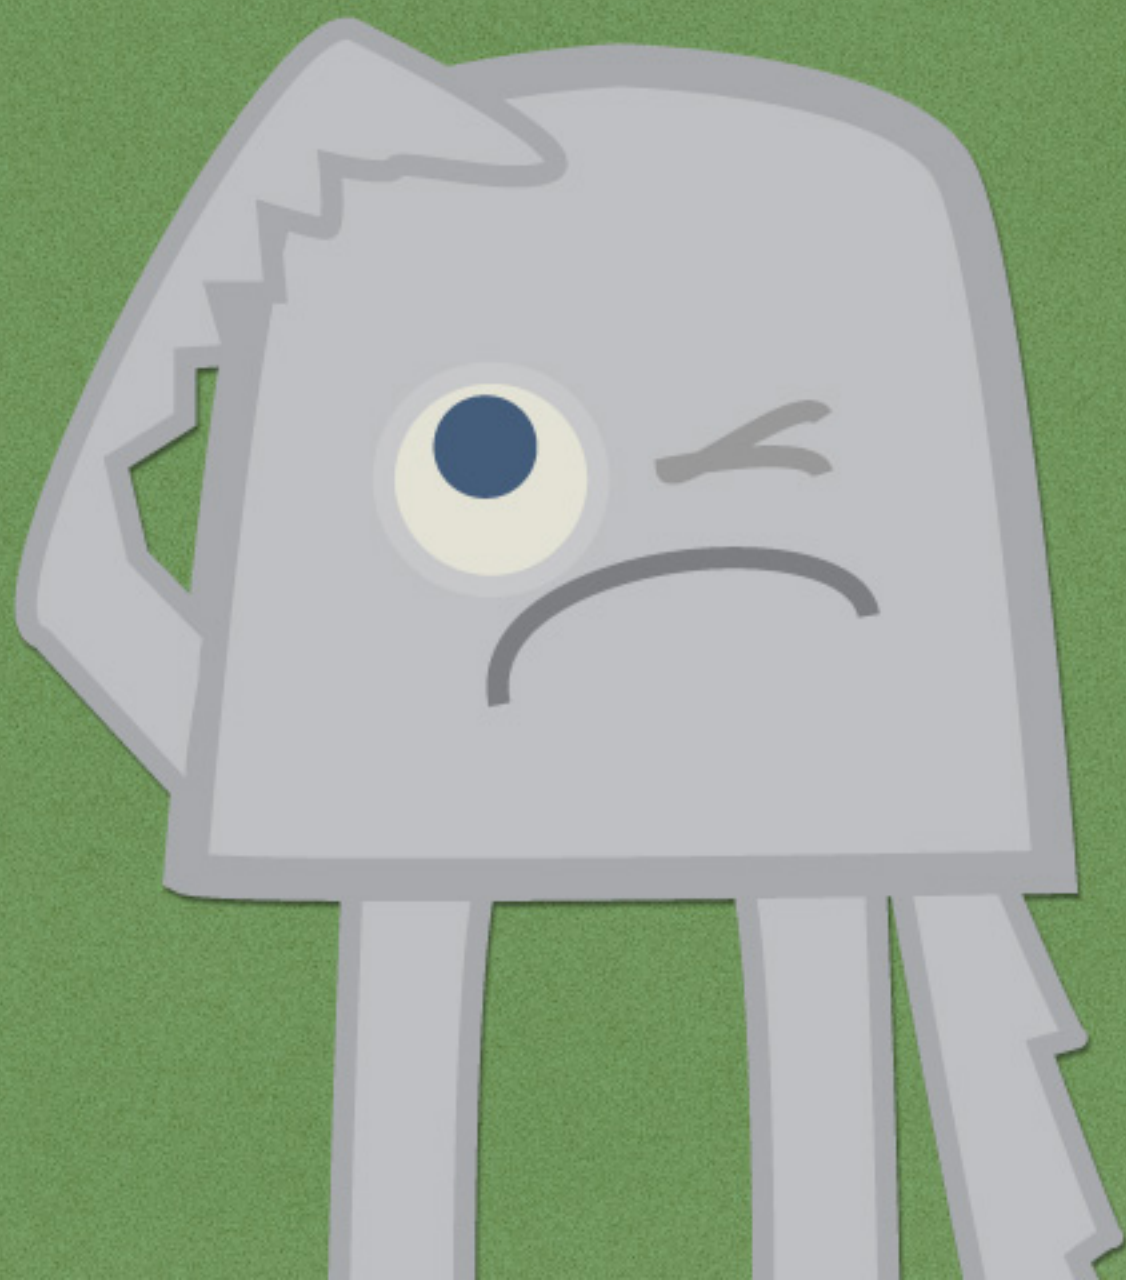

*well what did you find  
patrick?*

oh wow...

*do you know what that is  
patrick?*

*you're not sure?*

*maybe kevin and arty  
can help*

*oh dear,  
kevin and arty don't know  
what it is either*

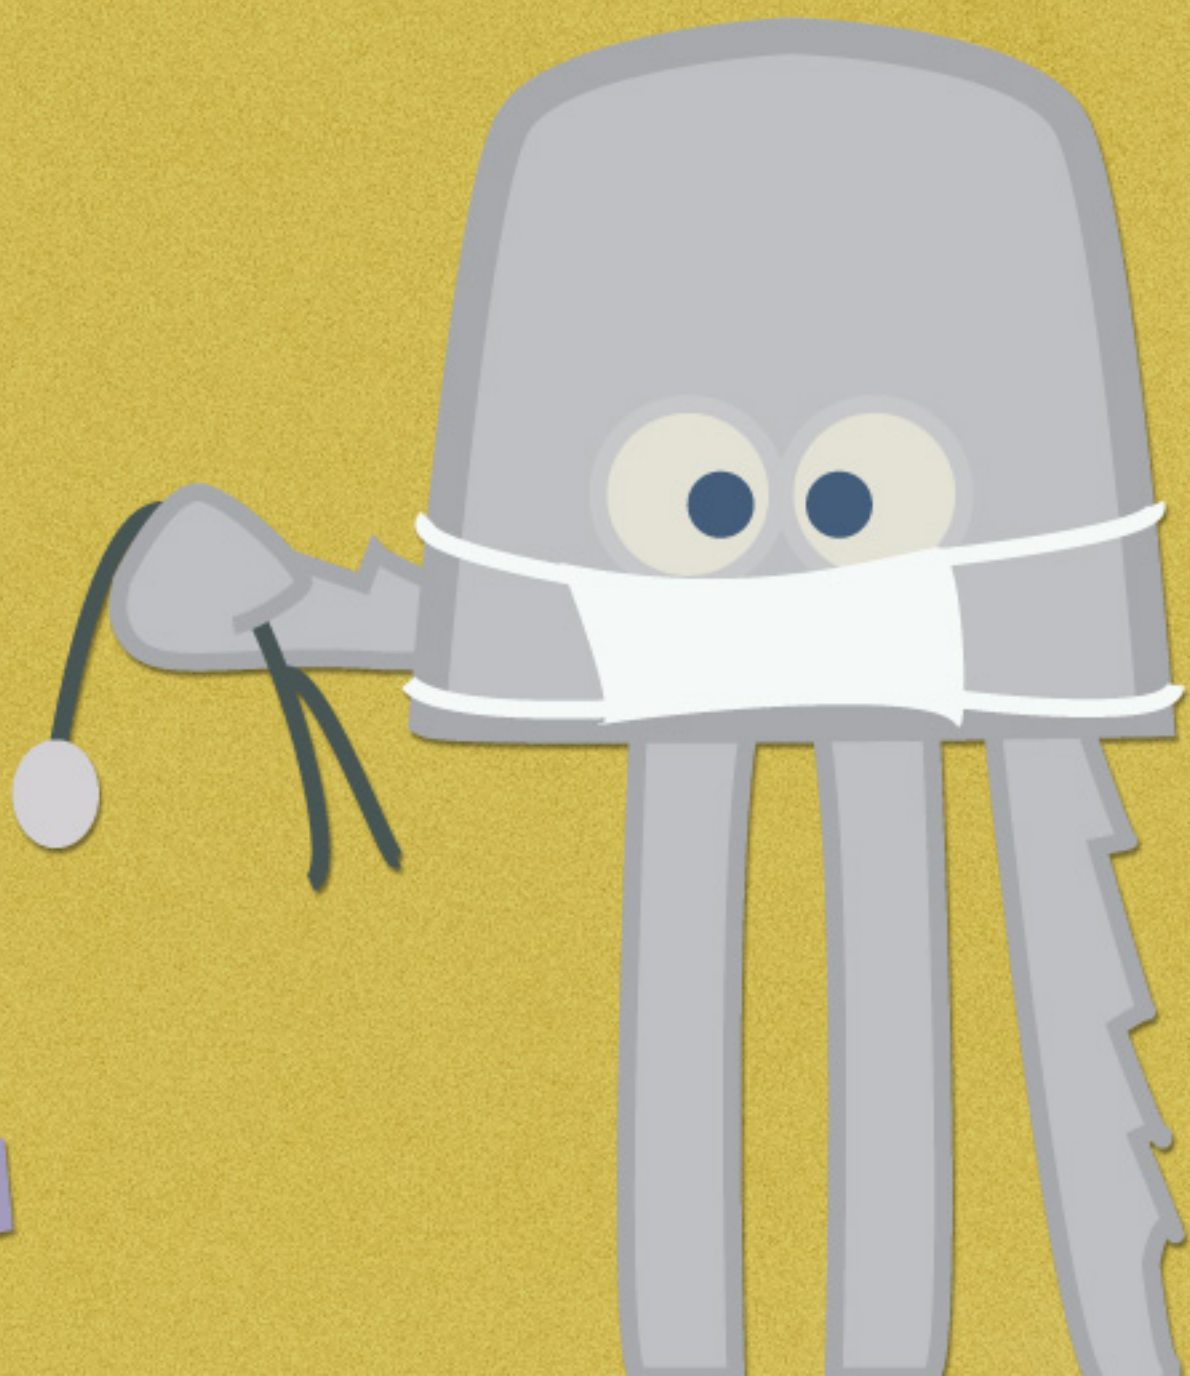

*maybe you should try to  
see what it **does** patrick...*

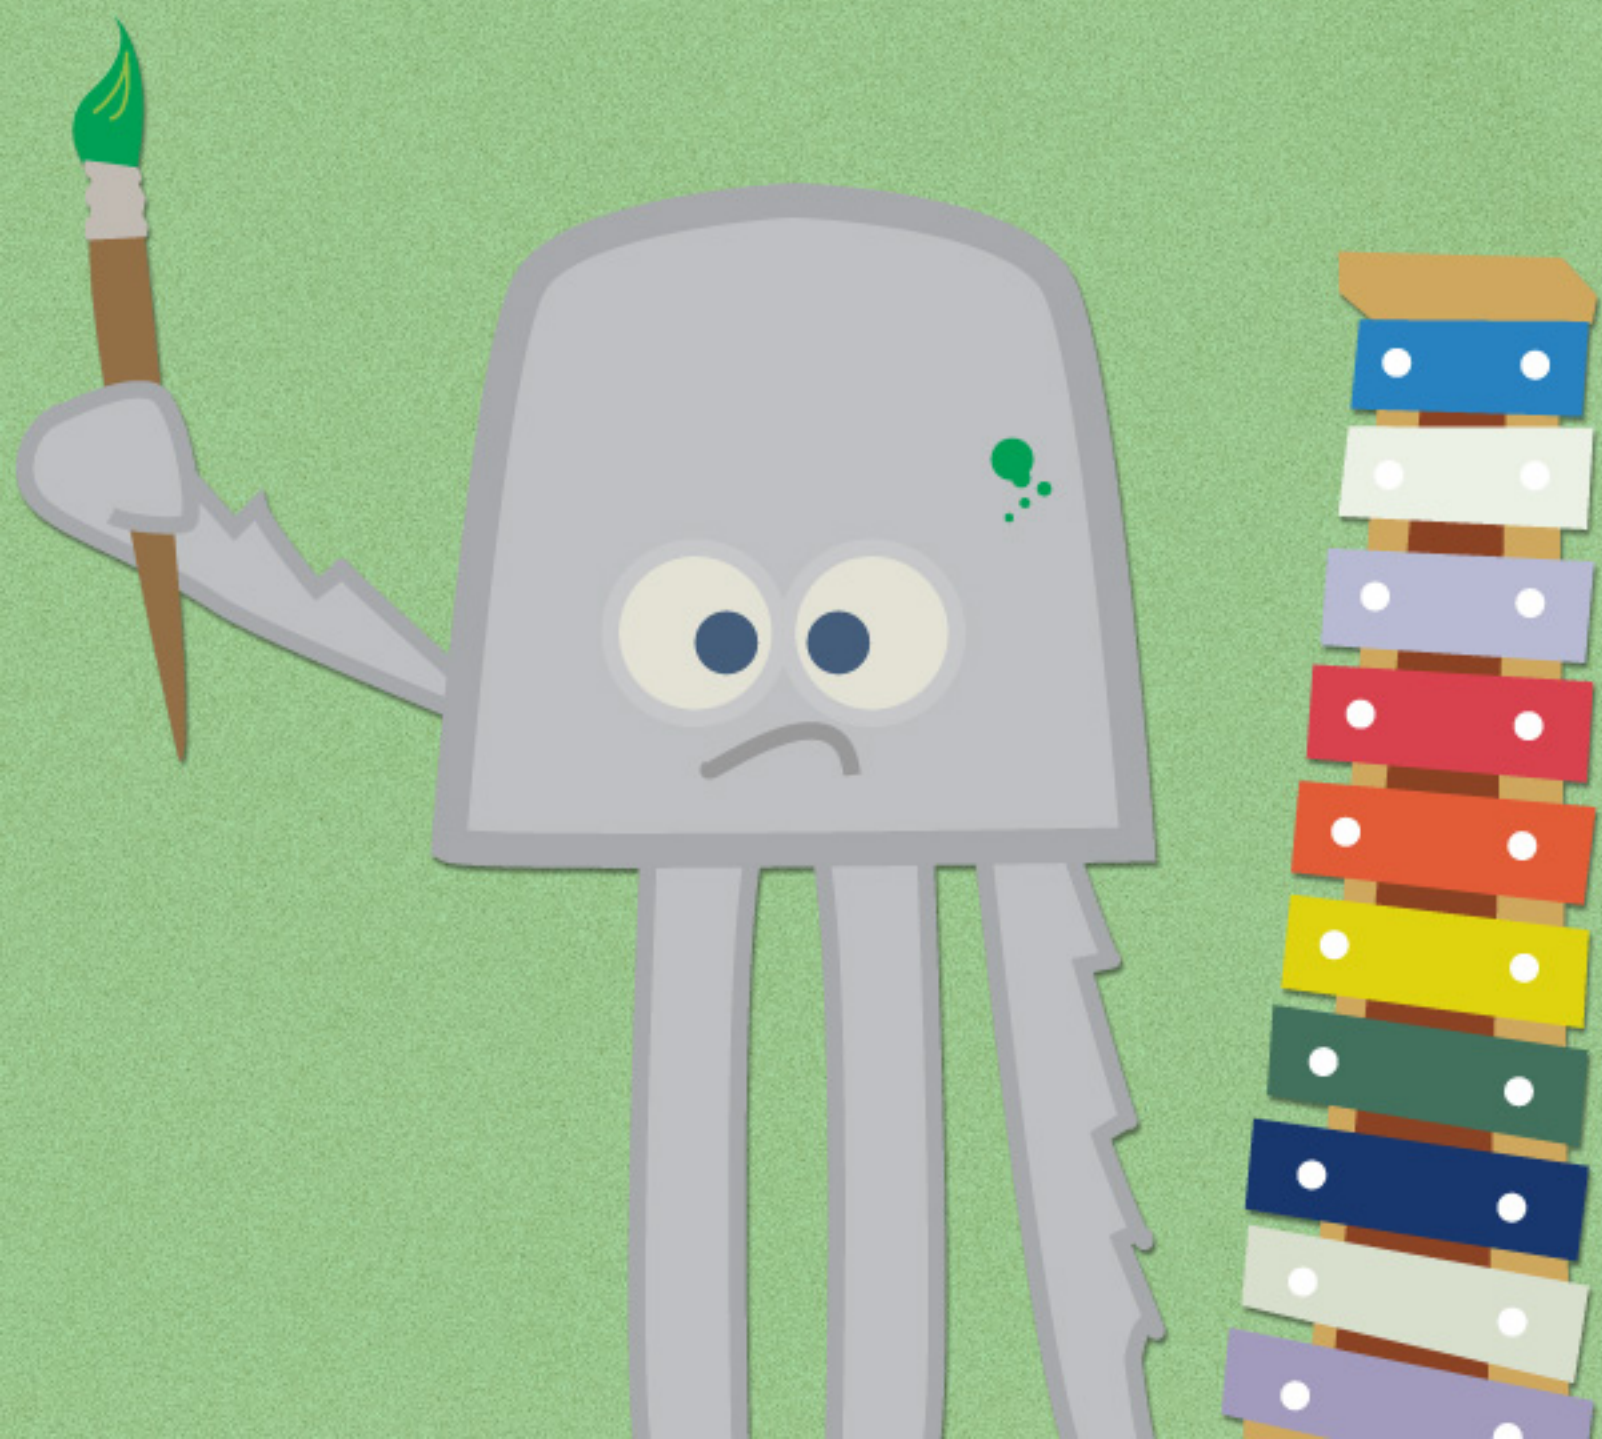

*well,  
it isn't very good at  
doing the dishes*

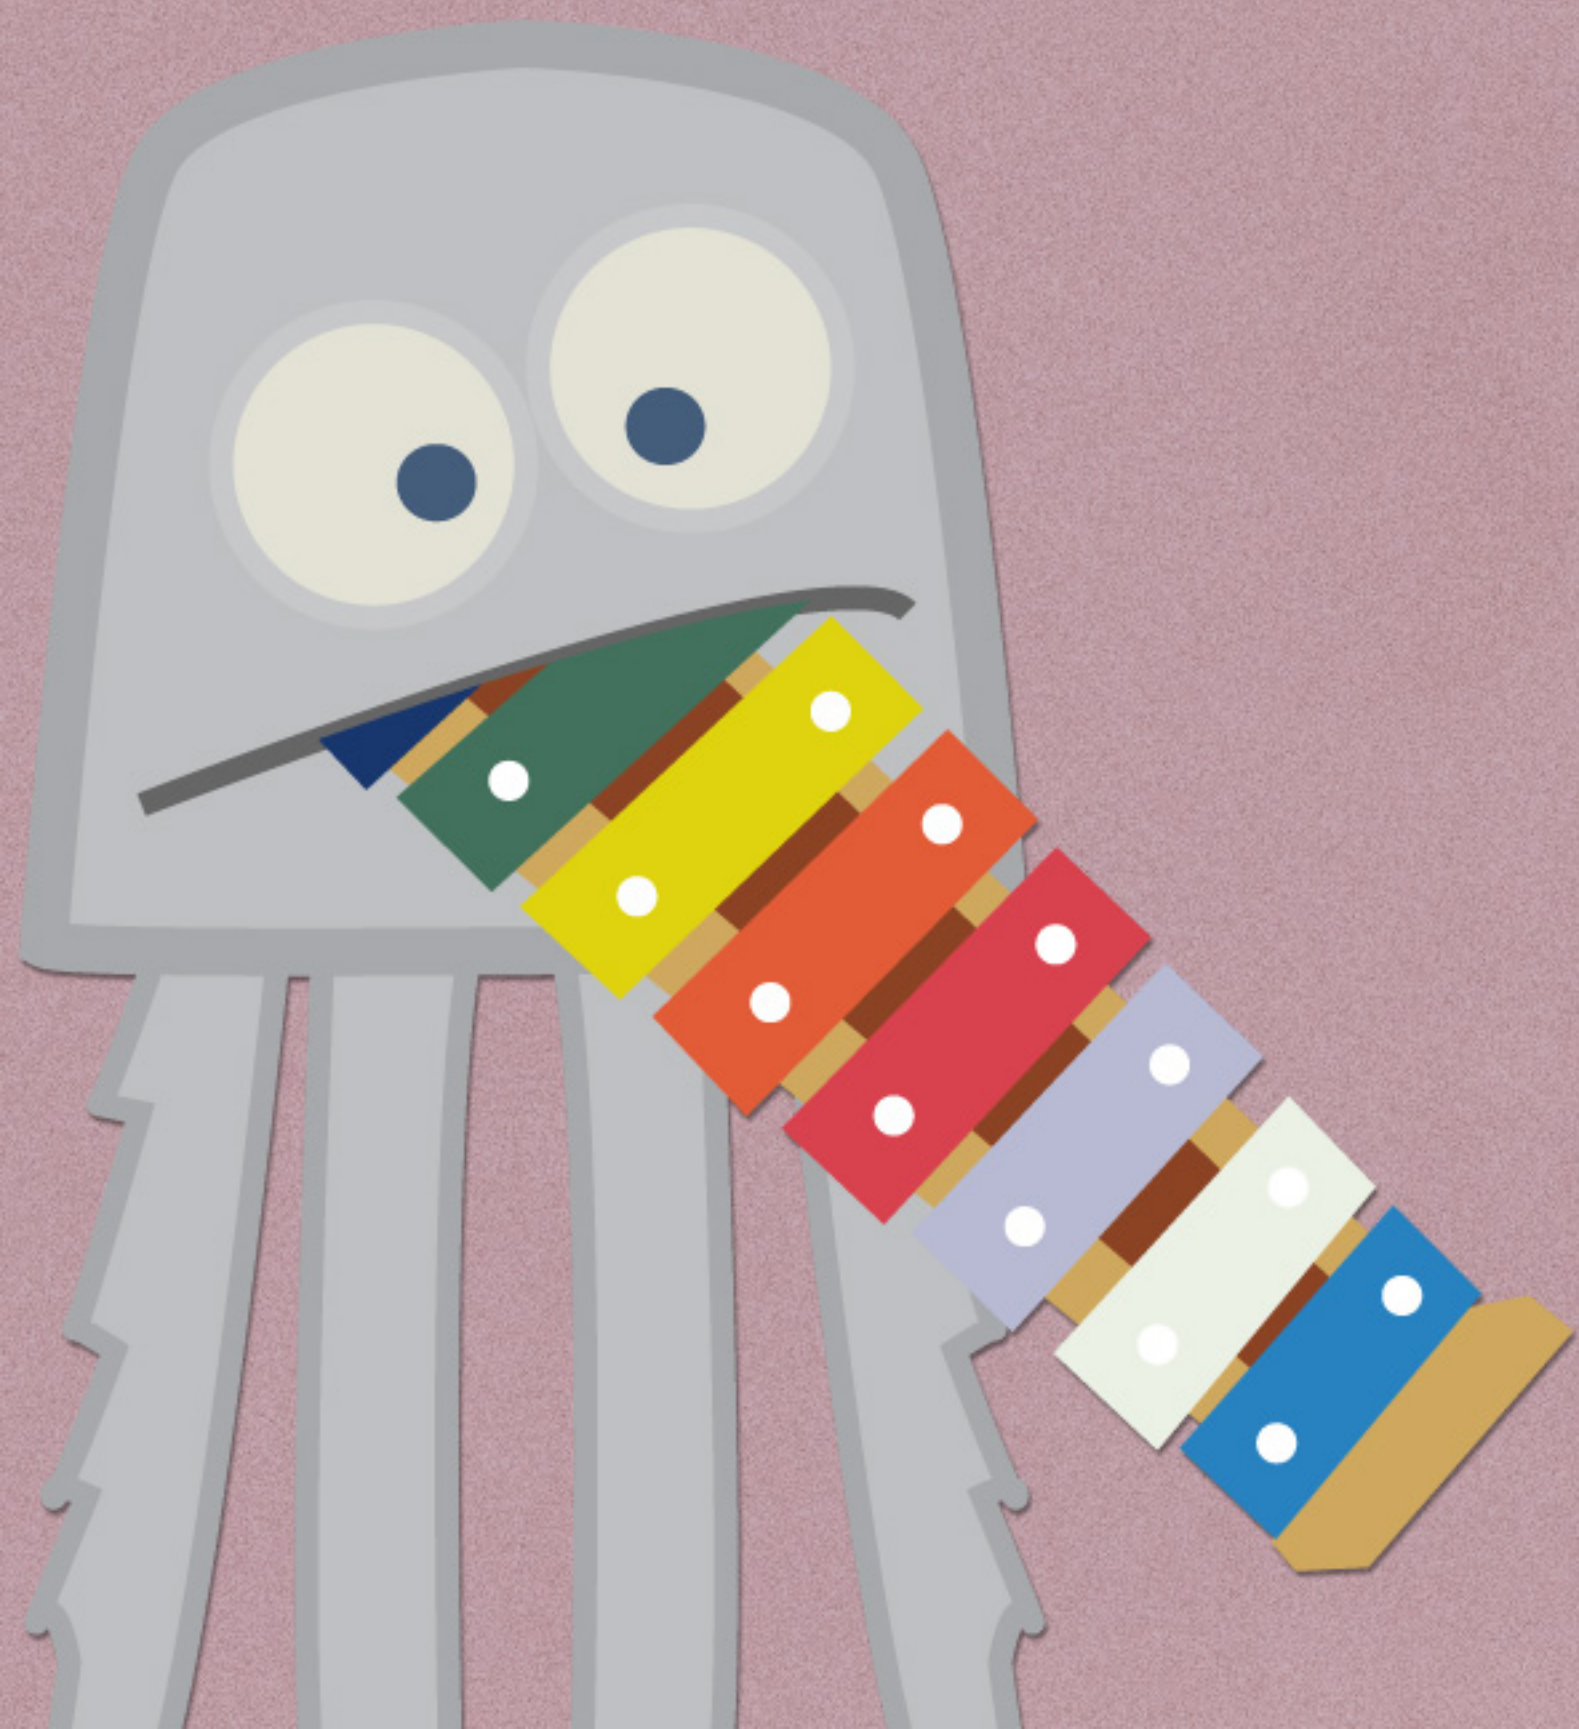

*and,  
it's not the best at  
playing doctor*

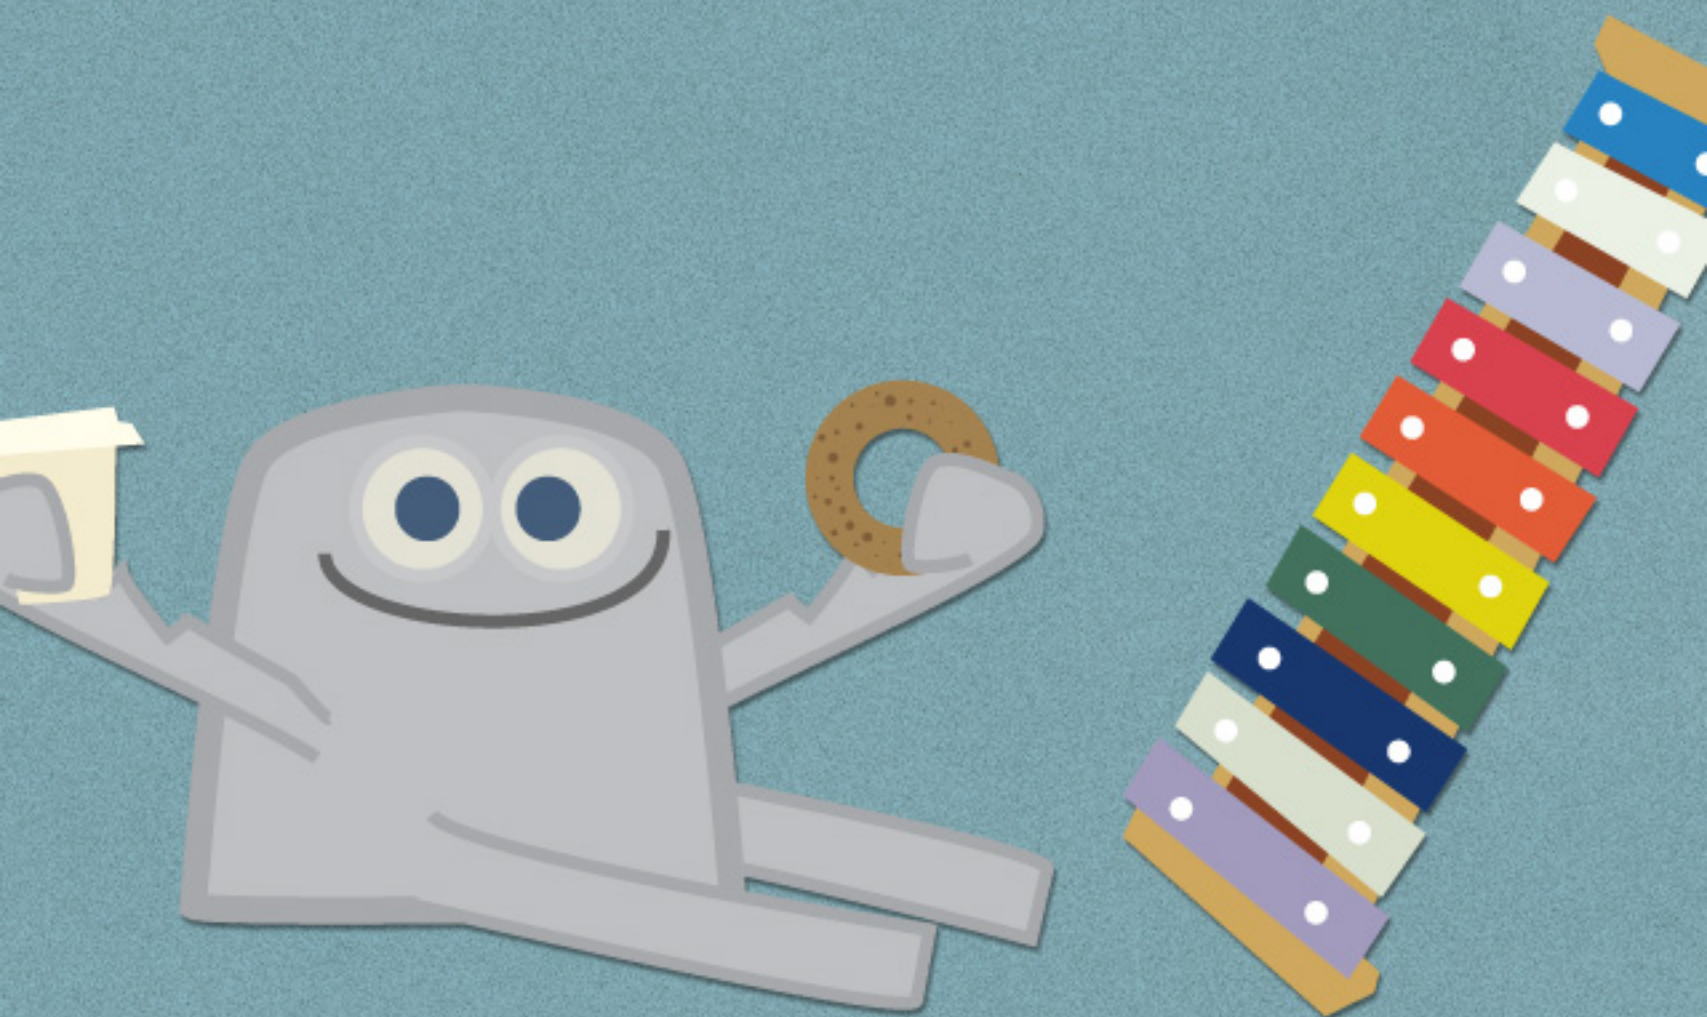

*unfortunately,  
it's not much of an artist*

*it doesn't  
taste very good either*

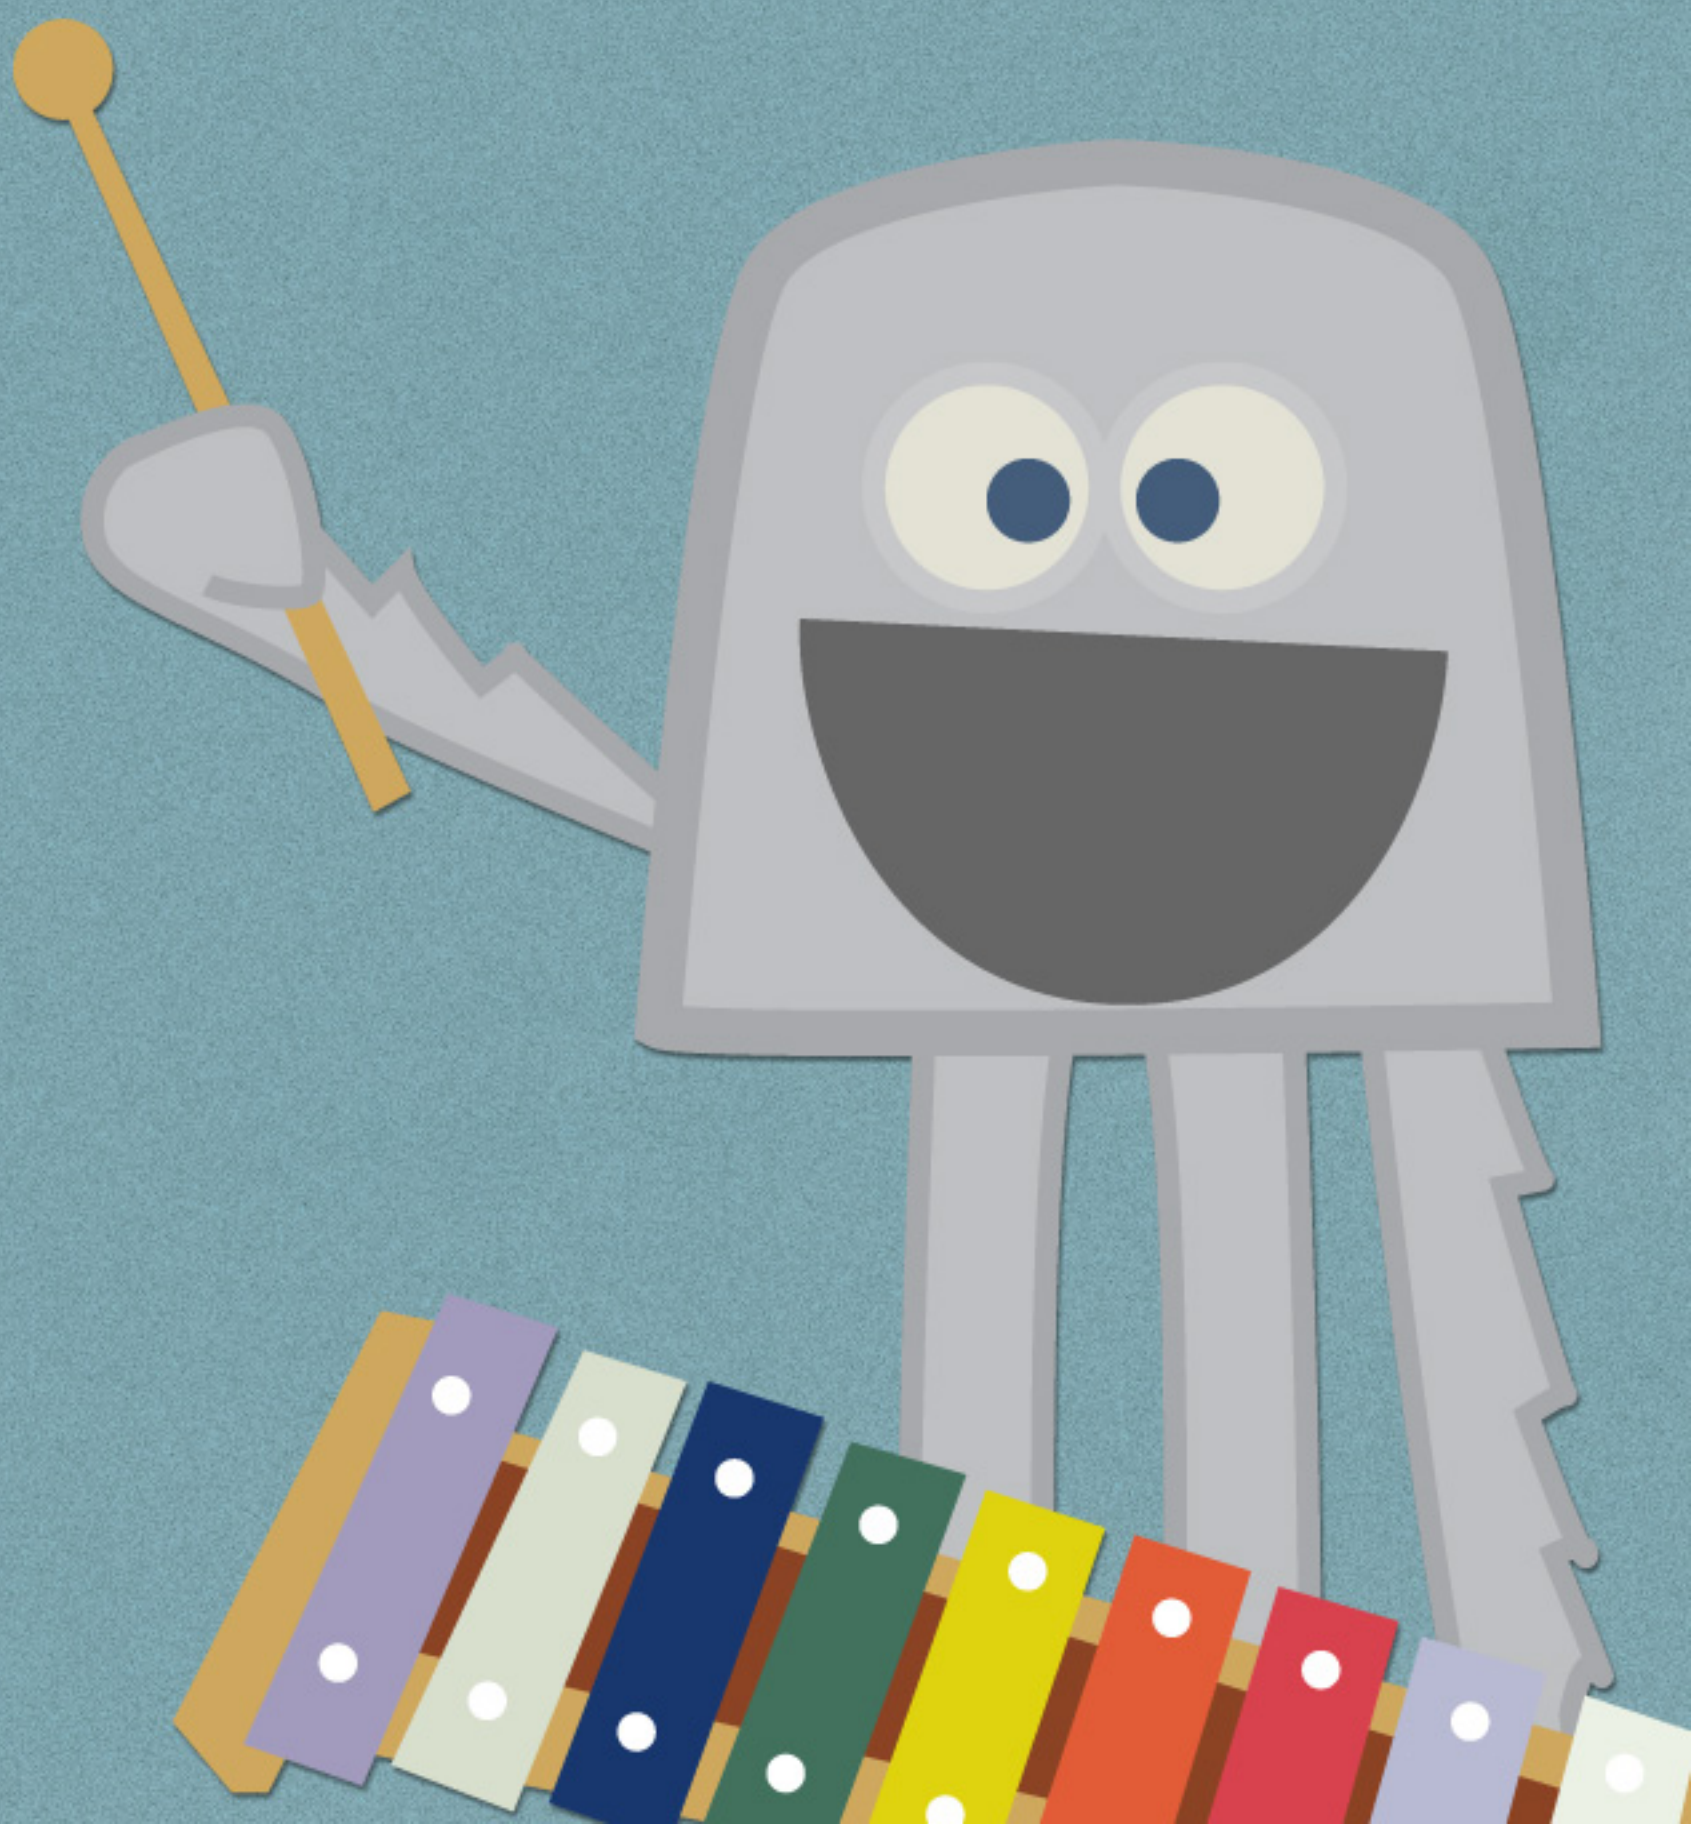

*and no,  
i don't think you can treat  
it to a coffee and a bagel...*

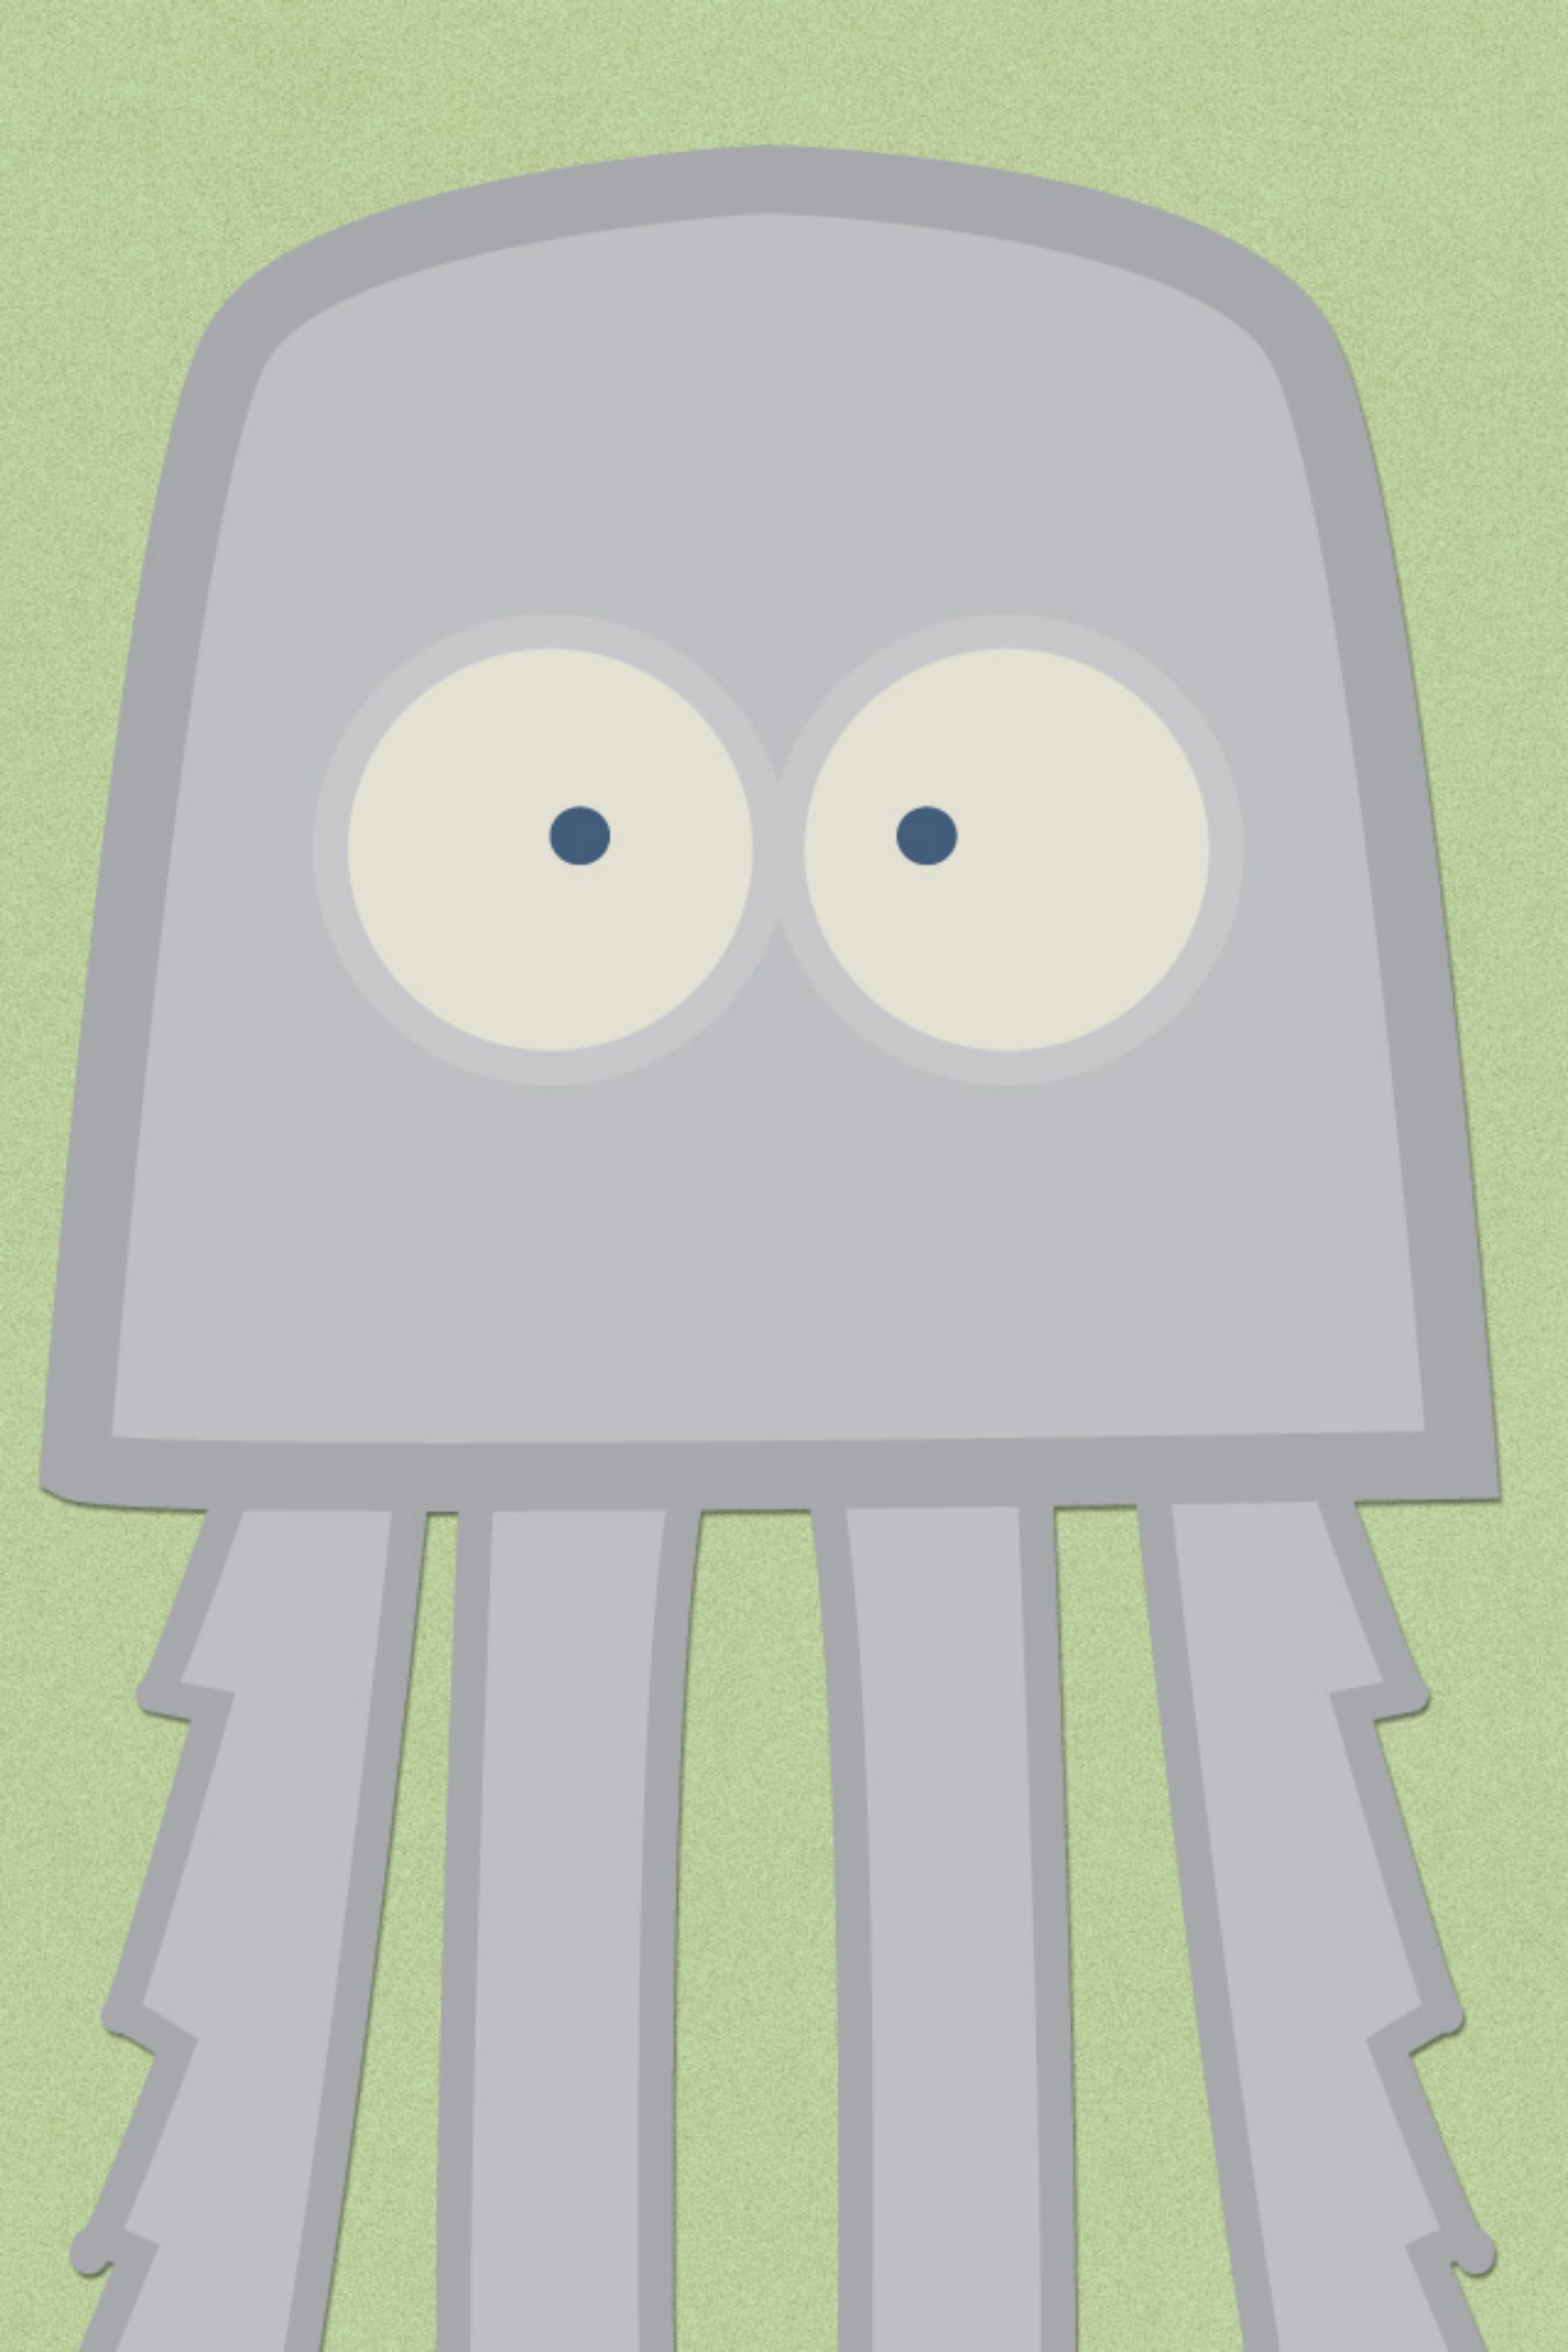

*perhaps you could try  
playing it*

*yes,  
that's right patrick!*

*it's a  
xylophone*

*a musical instrument*

*it makes sounds when you tap it*

*everyone loves  
patrick's new  
xylophone*

*especially patrick*
