The Lonel1

The elephant and the bad baby (by Elfrida Vipont)

The Elephant takes the Bad Baby for a ride and they go 'rumpeta, rumpeta, rumpeta down the road.' They help themselves to ice creams, pies, buns, crisps, biscuits, lollipops and apples, and the shopkeepers follow them down the road shouting and waving. All ends well as the Bad Baby learns to say 'Please' and his mother makes pancakes for everyone.

Who sank the boat ? (by Pamela Allen)

Beside the sea, there once lived a cow, a donkey, a sheep, a pig, and a tiny little mouse. They were good friends, and one warm, sunny morning, for no particular reason, they decided to go for a row in the bay. Do you know who sank the boat ?

Animals scare me stiff (by Babette Cole)

An ingeniously funny book which addresses the serious issue of irrational fear in children.

Like many small children, Tom has a vivid imagination, but it sometimes runs so wild that even the tiniest things terrify him. He imagines all manner of horrors, from being eaten by a dog and squeezed to death by a snake, to spiders crawling up his nose and birds pecking off his ears. But Tom has the scariest secret weapon of all.

Knock Knock Who's there ? by Sally Grindley (illustration Anthony Browne)

A gorilla, a witch, a ghost, then a fierce scaly dragon hungry for his tea. Who will be next ? Each time there's a knock at the door, there's a different monster, but each time they're wearing the same tartan slippers. Of course, it's just Dad, playing an hilarious bedtime game !
